

Draw Thread Edge (or separation)

Cast on both beds and knit several rows with waste yarn
Carriage on the right

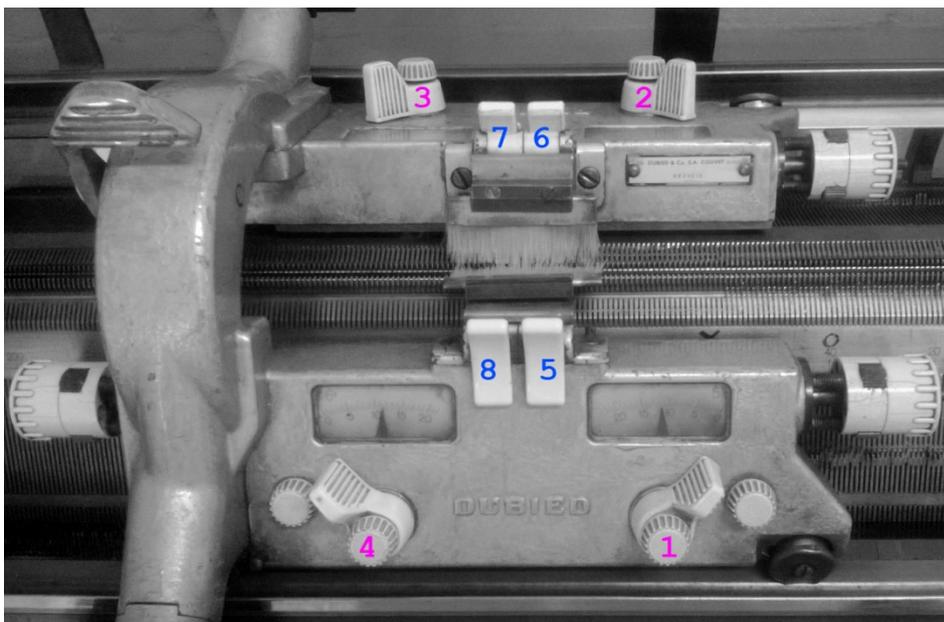

Cancel front bed cams 1 and 4
Knit 3 rows (back bed only)
Cams 1 and 4 back into knitting action
Knit 1 row (both beds)

Cancel front bed cams 1 and 4 again
Cancel Yarn feeder
Knit 2 rows (without yarn)
This will throw off all the back bed stitches

Select yarn feeder (this is the start of your sample so use good yarn)
Change Tension (slightly tighter on all 4 cams for first row)
Cams 1 and 4 back into knitting action
Knit 1 row (both beds)

Cancel cams 1 and 3
Change Tension (loosen tension slightly on all 4 cams for circular)
Knit 3 rows (tubular)
Cams 1 and 3 back into knitting action

The draw thread edge (separation) is now complete

1, 2, 3 & 4 = knitting cams (or cardigan cams)
5, 6, 7 & 8 = tucking cams
